

Bursary Programme

Music South West is a new music convention for the South West of England.

Run by Bristol Music Foundation in association with regional and national industry partners, Music South West provides an essential opportunity to hear from key figures and organisations in industry, discuss current and future events, projects and initiatives, and network with others from South West music and elsewhere.

Music South West provides an excellent opportunity to improve your own business or professional development.

In order to ensure that everyone has an equal opportunity to access this event, we are running a bursary programme.

The programme provides a bursary to attend at a reduced rate.

Options

There are two bursary options:

1. £5 per day This is the minimum amount and is a contribution to the cost of lunch.
2. £15 per day

Bursaries will be allocated on merit.

To apply for a bursary please email us at events@bristolmusicfoundation.com to let us know that you wish to apply then complete and return this form to us at: **Music South West Bursaries, BMF Events, Bristol Music Foundation, Unit 4.3, The Paintworks, Bristol, BS4 3EH.**

Application for a bursary

Please complete all parts on both pages

I would like to apply for:

A £5 bursary

A £15 bursary

Please tell us why you wish to apply for a bursary.

This could include the current work you are doing and how attending Music South West would help that, your current studies, or that you are starting out in music and feel it is important to attend. Please also give us an idea of your current financial situation and why you are unable to purchase a full delegate ticket.

Please note: Bursary places are limited and we intend to allocate an equal number of bursaries at £5 and £15 so please consider which bursary is most relevant to your current situation.

I would like to apply for a bursary because:
